Team

CIRS staff is made up of experienced technical experts with advanced degrees in various subjects such as chemistry, toxicology, pharmacy, eco-toxicology, environmental engineering, food science, modeling and pesticide management. We provide reliable regulatory support as well as data evaluation and data gap analysis, QSAR modeling, chemical risk assessment, etc to help clients to meet regulatory needs.

Resource

CIRS REACH Compliance User Management (RCUM) System

RCUM is a free management system developed by CIRS in order to provide a platform for supply chain communication among non-EU manufactures, OR, EU importers and downstream users. It also allows our clients to check and manage REACH compliance processes.

<https://rcum.cirs-group.com>

Asia-Pacific Chemical Inventory Search System (APCISS)

APCISS is a free platform developed by CIRS for enterprises to search the latest Asia-Pacific chemical inventories by CAS or English name. APCISS also provides initial analysis of your obligations under relevant Asia-Pacific chemical laws.

EU REACH Registration Enquiry System

This system is a free tool developed by CIRS to help potential registrants to get general information regarding administration and Letter of Access (LOA) cost.

<http://enquiry.cirs-group.com/>

CIRS FreeDocs Document Download Platform

FreeDocs is a free platform developed by CIRS for enterprises to download relevant regulatory documents.

CIRS Events

This platform offers a number of different events hosted by CIRS. Free webinars, regulation workshops and summits are held in order to provide enterprises with the most up to date regulatory news. Important events include the Summit Meeting on Chemical Regulations in the Asia-Pacific (SMCR), and the Summit Meeting on Cosmetic Regulations in the Asia-Pacific (SCRA).

CIRS Monthly Newsletter (EN/CN)

Free monthly newsletters including CIRS upcoming events, important announcements and summary of regulatory news from all sectors.
